4. Other Discussion

a. The BAC secretariat read and discussed important sections of the Bidding Documents. It was made clear that the procurement is one lot.

b. It was also made clear that the delivery of the units are as follows:

Unit	Place of delivery
Passenger Van (2 units)	PhilSCA – Villamor Campus, Piccio Garden, Villamor, Pasay City
	PhilSCA – MBEAB Campus, Mactan, Cebu
Van (2 units)	PhilSCA – Villamor Campus, Piccio Garden, Villamor, Pasay City
	PhilSCA – FAB Campus, Lipa City, Batangas

The winning supplier will shoulder all the delivery expenses to the identified locations.

c. The BAC accepted the information provided by one of the bidders that undercoating is a separate service. It was made clear that instead of undercoating, the requirement was changed to factory rust proof. However, the BAC made mentioned that the winning bidder may include undercoating as their add-on services.

d. It was agreed that both vehicles (passenger van at van) are manual transmission and must have air-conditioning unit installed.

e. Inspections and/or test-driving will be conducted prior to acceptance.
